Lulu.com, United Kingdom, 2009. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. The annual county fair. The one time every year that residents of Bluffside come together in holy matrimony to celebrate the creation of fairs. Unexpectedly, three girls showed up at my door and convinced me to attend the fair, because the mayor of Bluffside had taken away their titles of former-Miss Summer Solstices. They were also kind enough to provide me with a shiny new rocket launcher, so how could I say no? So with my sidekick Albert, we set out on a grand adventure to this beloved county fair to see what I could do make the three no-longer-Miss Summer Solstices once again official-former-Miss Summer Solstices. The county fair would never be the same again. At least, not until next year.
