There s nothing she won t do to make that dream come true-including marrying a strange man from another state. When she reads Dr. Winslow Wu s bride advertisement, she immediately knows that this man will become her husband. He wants to marry a female doctor and she intends to be that doctor. Echo, Montana is a town on the verge of extinction. Winslow Wu (Win to his friends) is a veterinarian whose services aren t used very much because of the prejudice in the area against the Chinese. He still loves his town and doesn t want to see it perish. He wants a wife and the town needs a doctor, so he decides to put the two together. After the first letter from Erin, it s apparent that she s the right woman for both jobs. Their attraction is immediate and their similar professions give them a lot in common. Their respect and passion for each other grows into love and they re happier than they ever thought they d be. Darkness looms on the horizon, however, waiting to rip them apart. Their successful bargain is in danger of becoming a losing proposition. Can they hold on and keep their dreams in alive or will they wither and die?.
