Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

Former sports star Bobby Denton has agreed to lend his fame and his name to a movie. But when he doesn't show up the film company sends straight-laced Gracie Snow to bring him to the set with surprising results. Despite his dazzling good looks and killer charm, Bobby has reservations about being a movie star - and no plans to cooperate with anyone from the studio, let alone shy little Gracie. But though she comes across as a wallflower, Bobby soon discovers Gracie is really a steel magnolia and the more time he spends in her company the more he finds himself drawn to this plain Jane with a heart of gold. Praise for Susan Elizabeth Phillips: *First Star I See Tonight* is Susan Elizabeth Phillips at her best - funny, charming and un-put-downable Susan Mallery Fall into the addictive voice of Susan Elizabeth Phillips - compulsively readable and deeply satisfying! Robyn Carr I always laugh my head off when I read Susan Elizabeth Phillips novels. She never fails to leave a smile on my face Catherine Coulter I love Susan Elizabeth Phillips books. Her writing is infused with intense emotion, sharp characterization, subtle wit and a rare energy that is absolutely irresistible. When I open one of her books I know I'm in for an exhilarating ride. This is women's fiction at its best Jayne Ann Krentz.
