Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Guide to High School Observation Purpose and use of the bulletin. The primary purpose of this bulletin is to serve as a guide to the observation of high-school teaching now required of college students of education in the State of New York. It will serve equally well, however, for all such visitation elsewhere, whether by candidate, principal, or superintendent, and it will enable all young teachers to check up and improve their own work. In the State of New York, to qualify for the College Graduate Certificate each candidate is required to spend twenty hours in observation of school work actually in progress. It is desired that a record of each visit of observation be made in a permanent note-book. It is, of course, not expected that all of the questions can be answered for each exercise observed, but in a series of visits the attempt should be made to cover as many points as possible. It is suggested that a copy of this guide should be at hand during each observation, and that the...
