Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Faith Tresilion Perhaps few sportsmen of this generation will know the meaning of a trencher pack; but in the olden days a good many such hunted the country. The hounds were kept by different people scattered over a small area, and, in the case of Daleham, most of them lived within sound of the hunter's horn, when it was blown at the market cross. Tom Otter blew it now and had not long to wait. He was a lean and wiry person of middle-age, and he sat on a raw-boned mare of eighteen hands. A weather-stained coat of doubtful pink he wore, and a big jockey cap of black velvet, time-worn as the coat and sizes too large for his round head. His face was rat-like, with a broken nose and beady eyes. Beside him, on a white horse, somewhat fat for the work ahead, sat Henry Sidebottom, publican and host of Daleham's first inn, The Sailor's Joy. He was a big, grey man, with a fleshy face, clean shaved, and large blue eyes - a gentle creature and no man's enemy. Yet he rated himself high since marriage, having, very wisely, taken his wife's estimate of him as his own. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
