This is my real conversation with George Washington. I recorded our conversations and transcribed them afterwards. I did modernize the speech, his actual diction was hard to understand. The conversation lasted from 2: 31 AM- 4: 29 AM. George: We must be miscommunicating again. You said that Spanish is growing more common here, but only amongst those that serve those who speak English. Is it then common for the English to serve the Spanish as well? This item ships from La Vergne, TN. Paperback.
