Reviews

*This publication will be worth purchasing. It really is writter in simple terms instead of difficult to
understand. Its been designed in an exceptionally simple way and is particularly only right after i
finished reading this ebook in which basically modified me, alter the way i believe.*

Stimulus Publications, 2010. Softcover. Book Condition: New. Why pay a behavior analyst to write your programs? Why spend hours writing your own? After the ABLLS-R has been completed, educators are often left wondering how to transform results into empirical IEP goals and quality ABA programs. With the BIG Book of ABA Programs, such problems are a thing of the past. Each detailed program can be used with dozens of different children. Each program contains specific instructions for data recording and implementation for baseline and ABA teaching. Each program can be customized for different children and their particular settings, teachers, reinforcers and program steps. The BIG Book of ABA Programs contains more than 5 precisely-written, photocopyable program protocols for every teachable step in the ABLLS-R. Each program contains: ? A well-written IEP and program objective. ? A complete baseline implementation procedure. ? A complete ABA teaching procedure. ? Detailed data collection procedures for each program. ? A customizable protocol for individualization so the photocopyable protocols can be used with multiple children. ? Custom fields include: ? Student name. ? Teacher name. ? Materials needed. ? Reinforcers. Simply identify teaching goals through the ABLLS-R, select the ABA program to match that goal, photocopy the program, and start teaching! 574 pages. 21.
