Life Spring, United States, 2009. Paperback. Book Condition: New. 210 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.A person who is able to inspire and teach others how to preach The author of this book has been an eager preacher ever since he was a new believer. Even though he was not able to socialize with others, he was full of passion in preaching the gospel, and he prayed for his classmates by name, many of whom turned to Christ. When he was working in the hospital, he brought forth a small revival that affected patients, doctors and nurses. Afterwards, he went to many districts in Hong Kong to openly preach the gospel. Five times a day, he went with the accordion and other gospel tools to preach the gospel to prisoners and villagers on Lamma Island. Despite his hard work, his preaching was not very fruitful. Nevertheless, he gained the wisdom to win souls through what he had learned and experienced in preaching. Just the introduction of this book is enough to make us admire Brother Yu. He gathered, integrated, and used the best practices of all the past preachers, leading to fruitful results. Good News to the World, which he complied to help people preach the gospel, has been translated into various languages and widely used. Many have used it to save souls. Brother Yu has another booklet containing wisdom on how to lead family and friends to Christ, which has been a great.
