Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This book is designed for novice programmer who are new to programming and filled with fear. In this concise and highly trimmed book, a brief history of the evolution of C language is presented. This is followed by the selection and installation of compiler. Although, MinGW compiler is used, the user is free to choose any other compiler of his/her choice. This chapter only gives a brief introduction of C to the beginners. Most of the complicated features(like Arrays, Pointers, Structures, Unions File handling etc.) of the language is avoided to keep the book simple.
