Metalworking - Doing it Better: Machining, Welding, Fabricating

By Tom Lipton

Industrial Press Inc.,U.S., United States, 2013. Paperback. Book Condition: New. 277 x 213 mm. Language: English . Brand New Book. This journeyman s collection of priceless tips, tricks, skills, and experiences will help any metalworker do better work and do it faster! It is written for hobbyists, apprentices, journeymen, foremen, engineers, and small shop owners alike, whether they are doing machining, welding, or fabricating. It covers hundreds of shop-tested techniques. It features hundreds of 4-color photographs. It fully integrates text and photographs. It provides wide range of topics. It includes extensive guidance for setting up your workshop. It is written from a folksy, personal perspective. This collection of priceless tips, tricks, skills, and experiences from a veteran of the trade is presented in a way that captures the readers attention and engages them in the process of furthering their skills. It includes shop-tested descriptions and illustrations of creative and unique techniques and observations from four decades in the metalworking trades. It is perfect for hobbyists and veterans alike, and everyone in between, and for those who work out of either small shops or garages, backyard facilities and basements. Users will learn about: The shop environment; basic generic skills such as...
