HANUMAN: AN INTRODUCTION

DOWNLOAD

Vakils, Feffer and Simons Ltd, Mumbai, India. Paperback. Book Condition: New. Reprint. Hanuman, the lord of monkeys, is one of the few gods in Hinduism to be worshipped across caste lines by followers of the Shaiva, Vaishnava and Shakta orders. He is admired for his strength, scholarship, wisdom, humility and celibacy. "This book is an attempt to understand the imagery, ritual and philosophy associated with Hanuman worship in our time. At its heart is a single narrative on the life of the monkey-god woven out of plots and ideas found in the Valmiki Ramayana, Mahabharata, various Puranas and several vernacular Ramakathas. Also included are tales found in Jain Ramayanas and the Ramayanas of South East Asia. "Highlights include lucid explanations, a map showing the traditional journey of Rama to Lanka through Kishkinda, the text and translation of the Hanuman Chalisa, and over 100 illustrations, many of them in colour. Printed Pages: 144. Size: 23 x 29 Cm.
