Accelerating Language Skills and Content Knowledge Through Shared Book Reading

By Sharolyn D. Pollard-Durodola, Jorge E. Gonzalez, Deborah C. Simmons

Brookes Publishing Co, United States, 2015. Paperback. Book Condition: New. 251 x 175 mm. Language: English . Brand New Book. Students in early childhood settings don't always get the benefits of shared book reading - a strategy proven to boost language skills and content knowledge. Prepare the next generation of teachers to make the most of shared reading with this accessible textbook, a complete guide to building vocabulary-rich science and social studies lessons and discussions around storybooks and informational texts. Field-tested with children in high-poverty school settings, this instructional approach is valuable for any young learners at risk for comprehension difficulties. This concise book presents the authors' proven, empirically based Project WORLD (Words of Oral Reading and Language Development) framework for integrating shared book reading into the classroom. Offering both big-picture curriculum design principles and specific instructional strategies, this text gives teachers the know-how they need to accelerate language skills, vocabulary development, and high-priority science and social studies content knowledge for all young children. Ideal for preservice teacher education courses and in-service professional development! This accessible textbook prepares early childhood educators to teach vocabulary-rich science and social studies lessons through shared book reading. Presents a complete framework for boosting...

Reviews

This ebook is definitely not simple to begin on reading but really enjoyable to read through. This really is for all who state that there had not been a worth reading. You may like how the author publish this ebook.
