

Elements of Algebra (4th Revised edition)

By Howard Levi

American Mathematical Society. Hardback. Book Condition: new. BRAND NEW, Elements of Algebra (4th Revised edition), Howard Levi, This book is addressed to beginning students of mathematics .the level of the book, however, is so unusually high, mathematically as well as pedagogically, that it merits the attention of professional mathematicians (as well as of professional pedagogues) interested in the wider dissemination of their subject .a closer approximation to the right way to teach mathematics to beginners than anything else now in existence. Bulletin of the American Mathematical Society.

Good e book and useful one. I have got read and that i am confident that i will likely to go through once more again later on. It is extremely difficult to leave it before concluding, once you begin to read the book.
