

## Henry Bourland: The Passing of the Cavalier (Classic Reprint)

Filesize: 1.33 MB

### Reviews

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Henry Bourland: The Passing of the Cavalier A quarter of a century has passed since the Civil War, and the era of reconciliation has come with the new generation and the judgments of impartial historians. This book is an endeavor by one bred in the North to write sympathetically the annals of a Virginia family, and to show how, amid the conditions following the war, it was impossible for the wealthy planters to recover their status upon the old basis. In its broader aspect the story is a symbol of the extinction of the Southern aristocracy and their ideals and traditions as social forces. The scene is localized in Virginia, but the events give a composite picture of what took place in the South at large during the years of the Reconstruction. In one sense the narrative is fiction; but in another and truer sense, for most of the incidents have warrant in fact, it is a history of general conditions turned into the concrete. Other books have been written on this subject; but no Northern writer of fiction, so far as I know, has gone out of his own environment and has taken up the case of the Southerners for the purpose of learning and writing absolutely from their point of view. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
