Abingdon Press. Paperback / softback. Book Condition: new. BRAND NEW, All Creation Sings: The Voice of God in Nature, J Ellsworth Kalas, J. Ellsworth Kalas, adapted from chapter 1: There s an old hymn you may be familiar with that contains these words: This is my Father s world, / And to my listening ears, / All nature sings, and round me rings / The music of the spheres. / This is my Father s world, / He shines in all that s fair; / In the rustling grass, I hear him pass, / He speaks to me everywhere (Maltbie D. Babcock, This Is My Father s World; 1901).It is true still today that all nature sings, but it is increasingly difficult to catch the melody. Almost anywhere we go, nature s voice is now muted by the sound of traffic and assorted electronic devices. Those who go out to walk or jog are likely to wear a device that keeps them in touch with news or music or speech so that, intentionally or not, they have shut out nature s sound and dulled its influence. Which brings me to the point of this book. I rejoice greatly in the green movement that has made new millions conscious of the wonder of our creation and the blessed necessity of caring for it passionately. This is a magnificent step in the right direction, and it puts quality content into what might otherwise be little more than sentimental feelings. But I want us to go farther than that. I want us not simply to see and indeed, to be grateful for the wonders of nature. I want us to go beyond nature s exquisite beauty until we learn some of the lessons it would teach us, lessons about both life and God....
