Berkley Books, United States, 2015. Paperback. Book Condition: New. 168 x 106 mm. Language: English . Brand New Book. Curio shop manager Camryn Brooks thought she'd seen every kind of snow globe--until she saw one depicting a crime scene. Ever since she was a child, Cami has loved the sparkling beauty of snow globes, and now, she sells them. In fact, they're so popular, Cami and her friend--coffee shop owner Alice Pinky Nelson--are hosting a snow globe making class. After the flurry of activity has ended and everyone has gone off with their own handmade snow globes, Cami spots a new globe left behind on a shelf, featuring an odd tableau--a man sleeping on a park bench. On her way home, she drifts through the town park and is shaken to come upon the scene from the globe--a man sitting on a bench. But he isn't sleeping--he has a knife in his back. When the police arrive, it's clear they consider Cami a little flaky and possibly a suspect. After her friends also come under suspicion, Cami starts plowing through clues to find the cold-blooded backstabber--before someone else gets iced. Snow globe making projects and tips included!.
