Brand New Book ***** Print on Demand *****.Supported Living - Jodi s Journey Moves On With an increasing number of disabled, handicapped and special needs adolescents and young adults choosing to live independently, this book is an example of how successful supported living and inclusion can be. Written for 8 - 10 year olds, this educational books addresses the real life experiences of three young adults with different disabilities who share a house together. One of them is my son. Through the voice of Flippin, the fly-on-the-wall, this book gives an insight into what life skills can be achieved with the right support.
