America Star Books, United States, 2009. Paperback. Book Condition: New. 216 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****. Books like Different Ways open childrens minds and entertain. They should be pleasant to look at and read or listen to. They should be repeatable until they become friends. Early books may also offer opportunities to learn truths and moral lessons from characters typical of a childas life. My goal as a writer/artist is achieved when the characters hold a childas interest and are relatable. I purposely blend the human/animal distinction so the child will project into the story. In Different Ways, receptive grandparents listen and share memories with their grandchildren. They allow time for experiences to unfold and challenge children to think a little differently. Craftiness and imagination are bonus surprises. In this book grandparents show that old ways can be good ways.
