

Voice of the Rsis: An Epilogue to Devayana Third Epic of India (A Vedic Reference Book)

By Hajari (Author) & Amita Nathwani (Ed.)

Motilal BanarsiDass Publishers Pvt. Ltd., Varanasi, India, 2009. Softcover. Book Condition: New. The Voice of the Rsis is a complementary volume to the great epic "Devayana" and to the "Glimpses of Devayana" already published in English. This anthology of Mantras from the Vedas and Upanisads is interpreted here with simplicity and clarity to their utmost beauty. These Mantras refer to many events mentioned in the Devayana and prove that these are not imaginary but they in fact have existed for aeons in our Vedas, Upanisads and the Epics. The approaching Golden Age was a promise made to us long ago by the Vedic Rsis. This vision of the Rsis provides us with an eloquent revelation and explanation. It offers us a provocative challenge to the accepted view of our scriptures. Dr. Hajari has interpreted these mantras with sensitivity and refinement. A must read for all those who are interested in finding a new insight into the mantras that are a part of our daily life. Printed Pages: 273.
